|     |   | STIP. AND [PROPOSED] ORDER TO EXTEND TIME TO                                 |

Pursuant to Civil Local Rule 6-3, Plaintiffs Oracle USA, Inc., Oracle International Corporation, Oracle EMEA Limited, and Siebel Systems, Inc. ("Plaintiffs") and Defendants SAP AG, SAP America, Inc., and TomorrowNow, Inc. (together with Plaintiffs, the "Parties") hereby submit this agreed-upon stipulation to extend time for the Parties to comply with the Court's June 11, 2009 Stipulated Revised Case Management and Pre-Trial Order ("June 11, 2009 Order") to file any request regarding the treatment of confidential or sealed documents ("under seal requests"), to submit pre-marked exhibits to the Court, and to exchange pre-marked exhibits.

The June 11, 2009 Order sets August 5, 2010 as the deadline to (1) file under seal requests, (2) submit pre-marked exhibits to the Court, and (3) exchange pre-marked exhibits.

The Parties jointly request that the Court extend the deadline to file under seal requests for documents identified in the Parties' August 5, 2010 disclosures to <u>August 26, 2010</u>. This extension allows the Parties an opportunity to review all documents and information disclosed on August 5, 2010 in accordance with the Court's June 11, 2009 Order. The Parties believe that granting the requested extension promotes efficient case management, as the Parties would only file their under seal requests after, rather than prior to, having the benefit of full disclosure of the documents and information that will be offered as evidence in the other side's case in chief.

The Parties further jointly request that the Court extend the deadline to submit pre-marked exhibits to the Court to <u>7 calendar days</u> after the Court has ruled on the Parties' under seal requests. The Parties believe that this extension of time avoids burdening the Court with requests to hold certain documents, for which special treatment is requested, *in camera* while the Court considers the requests.

The Parties also jointly request permission to submit pre-marked exhibits to the Court in electronic, rather than hard copy, format. The Parties believe that submission of electronic exhibits avoids burdening the Court with potentially voluminous hard-copy exhibits.

Finally, the Parties jointly request that the Court grant a 5 calendar-day extension of the deadline to exchange pre-marked exhibits to <u>August 10, 2010</u>. In light of the potential volume of exhibits to be exchanged, the Parties believe that this extension of time is necessary to allow the Parties adequate time to process and pre-mark exhibits disclosed on August 5, 2010 in accordance
